

The Aiken Plan 344

© 1994 Donald A. Gardner Architects, Inc.

A feeling of spaciousness pervades the 1,346 square feet of this cozy country plan thanks to a large, open common area. The great room, dining bay, and kitchen share a cathedral ceiling and fireplace perfect for family gatherings! Located in the back for privacy, the master suite features a soaring cathedral ceiling, direct access to the deck, and a well appointed bath with large walk-in closet. Two family bedrooms share a full bath up front. Note how utility and storage spaces are centrally located for convenience.
